Tim Hauke  
Oakland Personal Trainers

Dear Tim,

I just wanted to let you know how happy we are with the fitness program that Oakland Personal Trainers has implemented at our company. Your program has not only helped our employees feel better (Patricia no longer has leg cramps while playing tennis and her sciatic nerve pain has disappeared, Pat's knee -injured while dancing at a wedding- doesn't hurt anymore, and Melvin's stamina and sense of balance has improved to name a few), but the overall morale has greatly increased. The 30 pounds your company helped me lose in the last year and the fact I am the strongest I have ever been makes it easy for me to recommend Oakland Personal Trainers for both individual and corporate fitness programs.

Thank you for all you have done for our organization.
